Please make sure you continue to watch your child for symptoms and keep your child home, if he/she is sick. Further, if you (or your child) have been tested for Covid-19, please follow your doctor's advice by remaining quarantined until you have received your results. A Huge Thank You...

Thank you to Ernstberger Orthodontics for purchasing large car tags for every student. The large tags allow us to see them from a distance to make sure all the children are safe. Thank you to Periago Orthodontics for purchasing communication folders for all students. This is a great tool to help communicate between school and home.

Because when kids have enough food, they do better in school.

Join our Advisory Board and use your time and talents to help us to continue to grow our program and serve hungry kids in Floyd County.
