

Greenville Gazette

Home of the Tigers!

A Note from Ms. Pierce

Families,
Starting tomorrow, our entire district will begin virtual learning. Your child will bring home his/her device, charger, and materials needed to learn from home through December 18th. As I said at the beginning of the school year, my job is to keep everyone safe. At this time, this is what we need to do in order for everyone in our community to stay safe. I know virtual learning can be hard for families. Be kind to yourselves and offer grace to yourself and your family during this time. Our teachers and staff are working tirelessly to continue providing high levels of learning for your child. I urge you to stay connected to your child's teacher through email, Dojo, Remind, or whatever system has been set up for your child's classroom. We will get through this together. Don't hesitate to reach out with clarifying questions, I'm happy to speak with you.

Love,
Ms. Pierce

or vmcghee@ymcalouisville.org

The Indiana Department of Education has sent guidance to all school corporations that in order to claim a student for funding, proof of Indiana residency must be a component of the student's educational record. The document provided as verification must contain the student's current address. The following documents are listed as acceptable forms for proof of residency. Current utility bill, Current telephone bill, Bank statement, Mortgage/Rental/Lease statement, Medical bill, or Any other like information that provides a verifiable address. Please remove any other personal information from the document-all that is needed is the verifiable address.

We are trying to make this as easy as possible for parents to provide the information. We have several different ways for parents to do this. Whichever method you choose - please make sure to include your student's name and school so that it can be directed to the correct place. If you are sending in for multiple students, please include each student's name and school. Take a picture or scan the documentation and email meelliott@nafcs.org. Mail the documentation to your child's school. If your child attends school in person, you may send this in with the child. We appreciate your help in this process – we apologize for the inconvenience. We received this information from the Indiana Department of Education AFTER our registration process was already complete. From this point forward, we will complete this during registration.

Textbook Rental fees were due October 9, 2020
You may call the school and make a payment via credit card.

If you would like to apply for textbook assistance (same as Free/Reduced Food Service Application) please go online to www.nafcs.org
School Meals
