Home of the Tigers!

A Note from Ms. Pierce

Families,

Our science fair registration is open through tomorrow, Friday, February 12th. If your child would like to participate please register online. This is a wonderful opportunity for your child to learn more about science and have the opportunity to share with his/her peers.

A friendly reminder that virtual learning, for students that participate in traditional learning, is only for quarantines due to COVID-19. If your child is sick or on vacation, please call the office to let us know, and your child can make-up his/her work when he/she returns.

Thank you for all you do to support your child's learning.

As always, we wish you well.

Love,
Ms. Pierce

Greenville families, once again, NAFCS has partnered with Metro United Way for their annual Build-A-Bed program. Through Build-a-Bed, we are able to provide a twin size bed for students that need their own place to sleep at night. Pictured below is an example of the beds. Beds come with the frame (that will need to be assembled), mattress, pillow, sheets, and blanket. If you have a student in need of a bed, please contact our school social worker, Katie Stein via email at kstein@nafcs.org. Beds are being built now and should be distributed by Spring Break.

If anyone in your household gets a COVID test or tests positive for COVID, please contact our school nurse, Sherry Stanfield, at either 812.542.2264 or via email: ssanfield@nafcs.org. You can also email Ms. Pierce at spierce@nafcs.org
