## *A Note from Ms. Pierce*

Dear Greenville Parents,  
 Each year, we work diligently to build learning teams for each of our classrooms. We consider learning styles, boy/girl ratio, student ability, parent support, and current curricular initiatives. The process is quite involved when considering all of these factors for over 460 students. We also have to consider changes in teaching staff and grade level assignments. Due to the enormity of this task, we will not be accepting requests for specific teachers. We have an outstanding teaching staff at Greenville. If there is anything you would like to share with me regarding your child's specific learning needs, we will take this into consideration and place your child in the classroom that is best suited. Please submit these needs in writing to me by March 12<sup>th</sup>. Letters should be sent to school in a sealed envelope addressed to me or sent via email to [spierce@nafcs.org](mailto:spierce@nafcs.org). Thank you for your patience and understanding.  
 Love,  
 Ms. Pierce
