Home of the Tigers!

## *A Note from Ms. Pierce*

Families,

Thank you for all that you are doing to support your child(ren)'s learning during this time. Our teachers are working extremely hard to meet the needs of all our students, both virtually and traditionally. Please be aware that switching back and forth between traditional instruction and virtual instruction is very difficult for teachers, students, and other families within the classroom. If your child is sick or your family is going out of town, your child will NOT participate virtually in the classroom. We will treat these absences the same way we did in the past – your child will be marked with either an excused or unexcused absence. When your child returns to school, we will help him/her make-up any missing work or assessments. If your family is quarantined due to COVID-19, please contact the office and we will work with your family on what is best for your child. If your child is virtual and you are wanting him/her to return to traditional instruction, we do ask for a 24-hour notice. This gives our teachers time to plan for a smooth transition. I will also need to ask your family some health and safety questions prior to returning. Thank you for your patience as we continue to learn and navigate our new normal.

Love,  
Ms. Pierce
