Home of the Tigers!

A Note from Ms. Pierce

Families,

I hope everyone had a safe and restful fall break. Parent/teacher conferences are quickly approaching; our teachers are working to schedule conferences. If you have not returned your paper indicating times that you are available, please do so as soon as possible. Conferences will be virtual or via phone this year. You will be receiving your child's report card via the U.S. Mail next week. If you have questions or concerns, please know that these will be addressed during your scheduled parent/teacher conference.

Kelly Services is always looking for new substitute teachers. Did you know you can sign-up to be a sub and choose to only sub at Greenville? If you're interested in learning more about being a substitute teacher, please contact Sarah Muraida at either 812.238.9240 or 2524@kellyservices.com.

As always, we wish you well!
Love,
Ms. Pierce

Eye doctors from Focus EyeCare Center will be performing **vision screening on Kindergarten students on Thursday, November 5th**. According to the law from the Indiana Department of Education, an MCT (Modified Clinical Technique) vision screen must be done on all Kindergarten students and must be conducted by an optometrist or an ophthalmologist. Results of the screening will be mailed if further evaluation is recommended. If your child has glasses, please be sure your child wears them for the screening! To learn more about the law, go to <http://www.in.gov/legislative/bills/2013/SE/SE0553.1.html> or contact Sherry Stanfield, RN, School Nurse, sstanfield@nafcs.org if you have any questions.

A huge thank you to the NAFC Education Foundation from Mrs. Adams and her first graders for the Great

Classroom Grant. Thanks to the generosity of the Foundation, Mrs. Adams was able to purchase subscriptions to Literacy Footprints Digital Readers for all of her first graders. They use these online books for independent reading and guided reading. To learn more about the NAFC Education Foundation or to make a donation, please visit <https://www.nafcedfoundation.org/>.

The state's Rental Assistance Portal is now accepting applications for the **Emergency Solutions Grant CARES Act** (ESG-CV) rental assistance program. This program can provide eligible renters with up to 6 months in rental assistance to help cover past due and ongoing monthly rent payments. More information, including the steps for tenants to apply both online and over the phone, can be found on the top banner of the www.indianahousingnow.org website. In partnership with the **Indiana Continuum of Care**, IHCD has continued to prioritize the need for rental assistance and has dedicated \$15 million in ESG-CV funding awarded by the U.S. Department of Housing and Urban Development (HUD) to further support individuals and families who are at a high risk of facing homelessness. The goal is to keep Hoosiers in stable housing so they may move through this pandemic without further future disruption. While there is no application due date at this time for the ESG-CV rental assistance program, I encourage any renter that is need of assistance to go to www.indianahousingnow.org and apply. Please don't wait. Indiana residents that are homeless, in a housing crisis, or in need of immediate assistance should call 2-1-1 and ask to connect with a navigator. Homeowners in need of assistance paying their mortgage payment should visit: www.877gethope.org.
